

HASAN GÜNGÖR

Computer Engineering Student

Location: Kayseri, Kocasinan, Türkiye

Email: hasan.gungor@agu.edu.tr | **LinkedIn:** www.linkedin.com/in/hasan-güngör | **GitHub:** <https://github.com/Afeection> | **Personal Email:** gungorhasan125@gmail.com

EDUCATION

Abdullah Gül University | Kayseri, Türkiye *B.Sc. in Computer Engineering* | 2023 – Present

Achievement: Ranked in the top 5-10 students to pass the rigorous English Exemption Exam, bypassing the preparatory year entirely.

Trajectory: Currently executing an accelerated 4-year graduation plan on a curriculum typically requiring 5+ years

Cumhuriyet Science High School (Fen Lisesi) | Ankara, Türkiye | 2017 – 2021

Honorary Student status, 93.7 % GPA.

TECHNICAL SKILLS & PROJECT EXPERIENCE

Mobile & AR Development: Flutter (Dart), Native Android (Kotlin/Java), ARCore — built location-based campus navigation (VRoute) and student onboarding apps with real-time Firebase integration.

AI & Data Science: Python, OpenAI API (LLM Integration), Retrieval-Augmented Generation (RAG) — developed a personal AI assistant capable of processing private PDF archives and delivering context-aware responses; currently building an AI-driven digital wellbeing platform analyzing user behavior to generate personalized feedback loops.

Web & Backend Technologies: HTML5, CSS3, JavaScript, Firebase (Auth, Firestore, Realtime DB) — technical lead for a community web platform (xPArchive), managing modular frontend architecture and complex backend integrations.

Security & Cryptography: User Authentication, Cryptographic Protocols, Private Key Management, Data Integrity Verification — implemented secure academic research projects focused on authentication and integrity-preserving systems.

Developer Tools: Git/GitHub, Android Studio, VS Code.

SOFT SKILLS & LANGUAGES

Leadership: Demonstrated leadership through technical project team management and captaincy of high school and university sports teams (Tennis, Football, Basketball).

Adaptability: Can easily adapt to any situation or environment.

Presentation: Innovative and comprehensive presentation making on respected topics.

Languages: Turkish (Native), **English (Fluent / C1)** – Advanced technical speaking and comprehension skills.
